OUR VISION:

Transforming Muslims worldwide through Jesus Christ.

EVANGELISM, DISCIPLESHIP, AND CHURCH PLANTING

By 2026, GCM aims to plant 10,000 self-replicating churches in the Middle East. GCM ministry teams initiate conversations with Muslims, look for people receptive to God's Word, and start Discovery Bible Study (DBS) groups. This process leads to baptisms, accelerated spread of the Gospel, and new churches.

REDEMPTIVE COMPASSION MINISTRIES

GCM has found that the most marginalized communities in the Middle

East are not only in great need of God's love, but they are also the groups most responsive to the Gospel message. GCM reaches out to drug addicts, prostitutes, and runaways with God's transformative love...experienced physically and spiritually through GCM.

LEADERSHIP DEVELOPMENT

GCM trains its disciple makers to be more effective in their outreach. We strengthen, develop, and encourage them, as well as prepare them for the challenges of outreach under persecution.

LONG-TERM IMPACT: WITHIN THE NEXT 50 YEARS, GCM ENVISIONS ONE MILLION SELF-REPLICATING, BIBLICAL CHURCHES IN THE 10/40 WINDOW, TRANSFORMING THEIR COUNTRIES AND SENDING NATIVE MISSIONARIES TO OTHER MUSLIM GROUPS.

You can bring Jesus to the hopeless. You can help transform Muslim communities and nations. Never before have Muslims been so open to the Gospel. Thousands are turning to Christ!

You are needed in this historical movement of God. This ministry is carried out almost entirely by volunteer disciple makers. It cannot be done without your prayer and financial support.

Please join the GCM team as a ministry partner, today. God calls you and GCM needs you!
