GLOBAL CATALYTIC MINISTRIES

DISCIPLE-MAKING IN EVERY CULTURE AT ANY COST

Originating in Iran and now spread into 48 other countries, Global Catalytic Ministries (GCM) is unique because of the ability to make disciples in any circumstance, across geographical boundaries, and overcome cultural barriers. Here are some distinctives to our approach.

- **Global Disciple-Making:** Following Jesus' teachings, we make disciples in over 48 countries, implementing His biblical threefold commission approach.
- **Holistic and Intimate Approach:** We create intimate moments with God, sparking global disciple-making movements.
- **Ministry in High-Risk Areas:** We reach the unreached in some of the world's most dangerous locations.
- **Underground Leadership and Advanced Security:** Our coaching is guided by underground leaders, using strong cybersecurity to keep communications safe and protect our field workers' identities
- **Indigenous and Culturally Inclusive Methods:** We work primarily with indigenous disciples, adapting Jesus' methods to local cultures without imposing colonialist views.
- **Accessible Resources and Family Focus:** We provide all resources and coaching for free, focusing on reaching whole families to keep households together and spiritually strong.
- **Reproducible and Spirit-Led Methods:** Jesus' disciple-making methods are adaptable for everyone from all backgrounds. Disciples are taught to depend on the Holy Spirit for guidance.
- **Empowering Individual Growth:** We train individuals to discern and obey God's voice, fostering personal responsibility for their spiritual development.

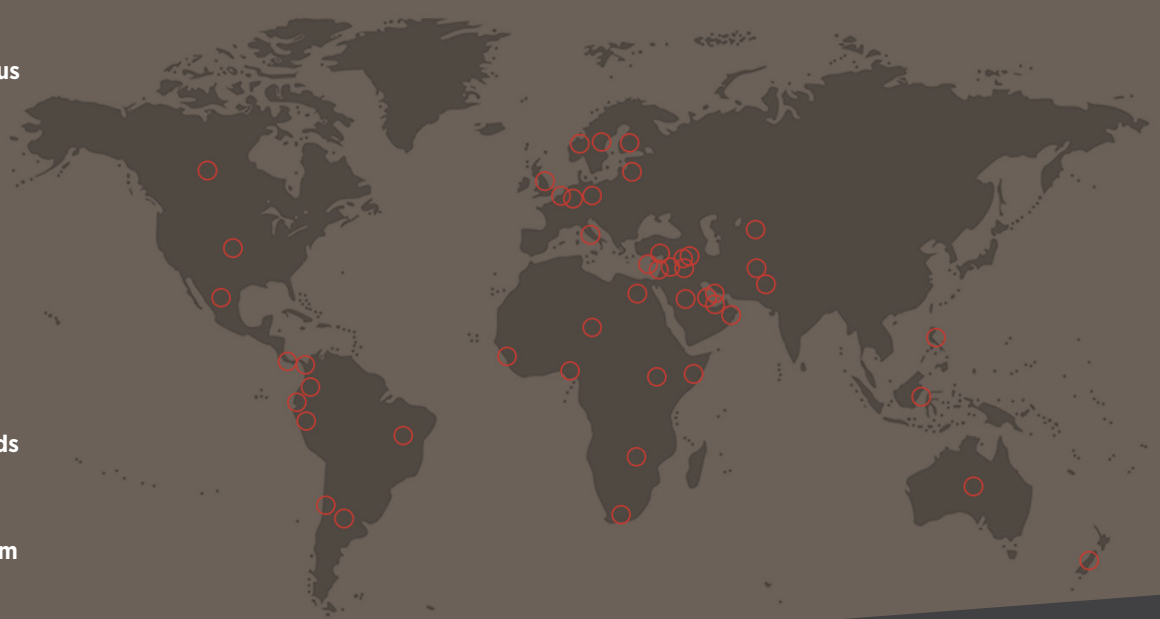

CHRIST'S THREE COMMISSIONS

Jesus taught his followers, the Twelve and the Seventy-Two, detailed ways to make disciples, a mission that continues for modern Christians. His instructions, found in Matthew 10, Luke 10, and Matthew 28, guide us in fulfilling this task. Our ministry has been teaching and applying Jesus' methods in some of the most hostile regions in the Middle East and, more recently, the West. Because of the faithful support of our donors, we can offer free online videos and interactive coaching to equip believers to make disciples as Jesus instructed. Together we join in His mission to reach the unreached.

MOMENTS TO MOVEMENTS:

BUILD INTIMATE MOMENTS WITH GOD THAT
CATALYZE GLOBAL DISCIPLE-MAKING MOVEMENTS.

We want to help guide humanity into love encounters with Jesus through uniting the Great Commandment and the Great Commissions of Jesus. We call this "Moments to Movements", at its root. Jesus lays out His disciple-making process in scripture, and we, as disciples, help coach believers on what we have learned as sheep among wolves. It's about harnessing those divine encounters, those deep, personal moments with Christ that propel us forward in our mission to make disciples of all nations. From a dedicated homeschooling mother in California developing movements within her local community to a courageous dad risking everything in the heart of Islam in Mecca, to an ex-homosexual escort involved in the LGBTQ community turned disciple who is reaching the youth in the Furry community.

We've seen how authentic intimacy can move the heart of God, and He responds by creating the movements. As we coach new disciple-makers, we're not just teaching methods to track numbers; we're igniting the very essence of spiritual awakening that can shake nations.

Dear Valued Supporters and Family,

I extend my deepest gratitude for your unwavering commitment to our mission of disciple-making in every culture at any cost. Your partnership is invaluable, and together, we stand united in our worship of Christ our King.

Our collective efforts have sparked thousands of conversations with nonbelievers, leading them toward the transformative journey of salvation. These efforts range from a dedicated homeschooling mother in California developing movements within her local community to a courageous dad risking everything in the heart of Islam in Mecca, to an ex-homosexual escort involved in the LGBTQ community turned disciple who is reaching the youth and the Furry community. Like you, countless others of diverse ages and backgrounds are answering Jesus' call to love Him so much that nothing else matters and to make disciples across all nations.

Your commitment not only inspires me but also galvanizes our team, who are constantly navigating some challenging situations. We appreciate your continuous financial support, which is pivotal in reaching the unreached and providing free, ongoing live coaching for all. Despite facing some of the toughest challenges, this past year's exponential growth is a testament to the Lord's enduring presence and blessings upon our posture to put everything on the alter and let the fire of the Lord burn everything that is not of Him to ash. We want Jesus and build only His Kingdom, Maranatha!

I encourage you to deepen your involvement in this family. Please feel free to reach out to me; I am eager to connect more closely with our incredible team

With heartfelt thanks,

Mike Patino
